COACHES QUOTES

GEORGIA COACH VINCE DOOLEY

"I'm extremely proud of our entire football team. Since the Wake Forest game I have felt like we have gone out and improved each week. We had a big test at Ole Miss last week and today we reached some kind of crest. I think we will still improve more."

"I think I am as proud of a football team at this time than anytime in my coaching career. We played our best game of the year and we beat one fine football team. And, of course, I am especially please with our defense. I don't think I've ever had a defense that has come so far in five weeks. And let me say that LSU has one fine defensive football team and we scored 21 points-- I think that's more than anyone else has scored on them and says something for our offense."

"It was a total team victory. Having Simon and Womack in the backfield for the first time has helped. Simon played well and Womack is still not 100 percent but is getting there. I thought we grew up a lot in our offensive line but the thing that improved the most dramatically was our defense. And of course, our kicking game was good but LSU had a very sound kicking game today. Garrett did the kind of job he's been doing all year for us."

COACH CHARLIE MCGLENDON

"We missed a lot of opportunities at times to be in the ball game. We had all the turnovers and they had none. I think our players found out what its like to play between the hedges. Their defense did a super job and didn't let us get anything from tackle to tackle. I think we were ready to play but not emotionally up."

"Everybody in ~~the~~ this league is about equal and we have to play up week-in and week-out to win. We're not going to out-talent anyone. There was one bad call I thought but then I had several. That's a bunch of malarkey on that play where we didn't give him enough room to field the punt. I felt like we moved the football but you have to keep the ball and not turn it over. We sure didn't have very good field position in the first half. We got beat in about every department there is from the kicking game on down."
